Project Manager Bristol/Bath

Description

Building site project management In Bristol & Bath

Seeking experienced project managers with great organisation skills and attention to detail for a variety of residential extension & refurbishment projects across Bristol, Bath & Keynsham jobs including start to finish Extensions and Loft Conversions.

No experience in the building trade but fancy a change? Please get in touch!

We're looking for motivated & organised people above all else – if you're interested in leading a team and getting your hands dirty, we can teach you the trades.

Responsibilities

All candidates must:

- Be comfortable working alongside other Trades in a team or alone when required
- Have access to reliable transport to meet at job sites
- Be reliable, punctual, hardworking and maintain a professional attitude to all tasks

Ideally:

- Hold a valid CSCS card
- Some experience in the building trade
